“ *Herb and Family, I was saddened to learn of Pat's passing. We worked together for a number of years at Sault High and Middle School. Pat was a wonderful caring person who always looked out for the kids who had difficulty with life's problems or working with the schools or the agencies that were supposed to help them. I always valued her insight, understanding and judgement when she advocated for a young person. Her input saved me from any number of mistakes when dealing with students. She was one of a kind and there must be hundreds of young adults out there that have fond memories of Pat and owe part of their success to her efforts. She made the world a better place. May she rest in peace, she deserves to.*

“ *Pat was a wonderful lady who I have not seen in many years. But when I was in grade school she welcomed my brother and I into her home daily and we feel like family. I will never forget the love we felt by her. She was an amazing lady and will be missed by many. I send my condolences to all of the family!*

“ Pat was one person who I will always remember as putting her whole self into participating in the Sunday School back in the day at the Algonquin United Methodist church in the Sault. Beautiful soul is now home in heaven and welcomed by so many people she has had some hand in helping over the years.
RIP Pat.
