“ Dearest Patty,

*There are no words that can describe all my feelings right now. I just can't believe you are gone and you won't be there when I come home. I know you knew this would be so. So many reasons that I need to write you this letter.*

*We have so many good times and memories together. You may be my first cousin but*

*You were more like a big sister to me. You were there for me growing up. You knew me better than I knew me. You got me through so many things in my younger years. I trusted you and I admired you. You loved me more than I loved me.*

*Thank you for everything. Thank you for always being honest with me. Thank you for always telling me what I needed to hear and not what I wanted to hear.*

*I ask forgiveness for not being there for you in your sickness 🥺*

*Forgive me for any and ALL the pain I caused you in life.*

*I will always carry you in my heart and remember all the good times.*

*I will never forget you 🌹*

*I'll love you forever ❤️*

*Rest easy...you left me too soon!!*

*The Tears are flowing from my heart,*

*Sissy*
