“ Please accept our condolences not only from 4-H Council, but from myself personally. I was not close to her, but from those that were - it was said that she was a good person, a good daughter, a good wife, a good mother and a good influence on others. She will be sadly missed by her friends and family. Again, please accept our sympathy for your loss.

“ *Patti was a true friend. My high school memories always included something fun with Patti. Even though we have been busy raising our families apart from each other, I always knew that we could pick up where we left off, no matter how long it had been. My tears are selfish ones, because I will want Patti on earth, but I know that God has a special place for her in heaven and we will see each other again! Even if I cannot be there physically, my thoughts and prayers are with you all-Dave, and family. God bless, Lori*
