“Wow. What a shock to see this in the Bellefontaine paper. We had no idea. Pat was such a great lady and fun to be around with. I am working on my 35th year at Hi-Point and am throwing things away. There are a lot of memories and I was just thinking about the two of you. I remembered the first time we met and John Richard said I was to take care of you. We were both square dancers, yada yada... and I needed to introduce you around the community.

Anyway, Nancy and I send our thoughts and prayers for Pat, you and your family.

“Will and Family:
I was saddened to open the paper and see that Pat had passed away. I enjoyed working with her for many years and was happy to be considered her friend. We have exchanged Xmas cards with her every year since she moved and was able to stay in touch with all of her family news and she ours. She will be sadly missed. Our deepest sympathy to you all. Thoughts and prayers are with you.
