“ Louise was a warm, loving, compassionate person. I worked night shift with her at War Memorial Hospital years ago. Tom Ellis

“ I am sending condolences to the family and friends of Patricia Louise Rose. I never met her but saw on Facebook that she was having her 100th birthday and hoped to get 100 cards. I sent one , but it was shredded and returned by the P.O. I regret that I did not send another. Looking at it this morning, thinking to make a new one to deliver in person - I " happened" to check obituaries and saw she was gone and her funeral in progress. May God comfort you in your loss of such a caring woman. I am sure her desire is that you may know the Love and Forgiveness of the Lord Jesus Christ. I also pray for the same. “ To the loved ones of Louise. She was a special lady and always had a smile for everyone. My family goes back many years with the Rose family. Living a short distance from Dafter, it was like going to the Sault today. Blessings and love. Joyce Crawford-Henderson

Louise was one of the first members of St. Francis to welcome my parents, Don & Sharon Forrest, when they moved back home. Louise became one of my mom's treasured friends. I was blessed to have met this lovely lady. I know she is at home with the Lord along with my parents. Prayers to all her loved ones.
