“ *Dear Kathy and DeLynn Mary-Lynne and I and our kids just arrived for our annual summer vacation and we were immediately concerned when we didn't see any lights or activity next door at your mom's house. We are so sorry to learn of your mother's passing. She was a sweet, caring woman and the best neighbor anyone could ask for at Brimley. We are so sad as we always looked forward to our talks, seeing your mom's smiling face, and her loving and cuddling our Molly. We will treasure the notes, letters and pictures she always sent us of the snow and owls. We will greatly miss Pat and treasure her and our memories forever. If there is anything we can do for you or your family please do not hesitate to contact us. Our hearts are very sad but we will carry her love for Brimley and for animals but especially dogs on for her. All our love- Tim, Mary-Lynne, Carter, Macauley, Cooper and Molly...Coco too. (our first dog) Lukenda*

“ Dear Kathy & DeLynn We are so sorry for your loss. Aunt Pat will be greatly missed. Always enjoyed seeing her when ever we had a chance to get to Michigan. The best times were when we could get to Brimley at her house on Lake Superior. When the family got together there we always had such a great time,like the time we had the magic show Bob put on for us,or the bonfires and fireworks. She was always so happy to have us all there and kept smiling all the time. No one will ever replace Aunt Pat, she was one of a kind. She will be in our hearts forever. We Love you Aunt Pat

“ *My deepest sympathies to you, Kathy and DeLynn. You know how much I loved spending time with your mom in Brimley, with her letting me have epic bonfires whenever I showed up (unless the wind was blowing). She was the aunt I WANTED to hang out with, and everyone loved her. I know the entire family and all her friends will miss her very much, but we'll take comfort in knowing she is no longer in pain and she is reunited with her family in Heaven.*
