“ *Pat was a great person and a friend of our family for over 30 years. I started babysitting his son Jon when i was 12 years old. He and his ex wife rented my grandparents house after they passed. He was like family to me and will be dearly missed.*

“ *Pat and I went to school together At Maple Rapids elementary. In second grade our young and pretty teacher Mrs. Johnson brought me and Pat home with her to East Lansing after school on a Friday to help her clean up her yard and have dinner with her family. I doubt we got much yard work done but we thought we were the coolest kids in school cause we were Judys favorites 😎 Then Pats awesome parents George and Pat picked us up that night. Pat and I just talked about this a few weeks ago, we agreed we still love mrs Johnson for taking the time to confirm how cool we were all those years ago.....*
