“ Sincerest condolences to Lisa and the families. We had known Paul most of our lives. Karen had been a neighbor and I was his classmate grade school thru high school. Not much contact after school except for an occasional visit in Detroit, reunions andth last time when he and Lisa paid us a surprise visit in Austin TX. Always the happy, sincere genuine person. We are blessed to have had Paul for a friend. RIP Sleepy.

“ I to remember the big smile he always had! My Uncle Paul was always someone I looked up to and the reason I always wanted to be a police officer. I loved seeing him in his uniform and was always impressed with how he carried himself. A great man I will miss. My heart goes out to the family and friends who knew him best!
