“ *That quick smile. That quiet, gentle guy. That guy with not one mean bone in his body. That was Perry; another one of DeTour's best who was taken far too soon. What a legacy he left behind, for no one has anything but the kindest words and the fondest memories. My condolences to all who loved him and shared his life, but especially to his family who I know will miss him dearly.*

“ I had just celebrated my 11th birthday when Perry was born. Dad (grandpa George) immediately renamed Perry "Little Richard". I remember many weekends babysitting Perry and Sue. I also remember spending many weekend nights sleeping over at the house on the river. The kids loved that house. There were so many outside places to explore. I hope that your memories of Perry will bring you peace and consolation.

“ Was so sad to learn of Perry's unexpected passing. At the time I knew Perry was a fun time with all of his family in our business venture. Those will always be very good memories for me. Perry was my next door neighbor and always a pleasant person with a wonderful sense of humor. He was one of those people we think will always be around. Makes it doubly difficult to hear of his passing. Perry Scheffers was a very good man on this earth. He had a big heart and friendship for many people. My thoughts go to his Mother, Father and Sister at this time. Terry Abraham
