“ *Your mother will always have a special place in our hearts. It'll be hard not to think of her being up at the Soo whenever we hear the word. My heart is heavy since I'm having a hard time making arrangements to come up there. Phyllis was an amazing person & we were blessed that we were part of her extended family. Be comforted to know that God will grant you His peace & His Blessed Mother will protect you in Her mantle of love. You are also in our prayers.*
