“ Twyla - I wish I could write some magical words that could take your pain away, but I know words can't do it. Grief is such a personal thing and nothing anyone can say could possibly take away the sense of loss you are experiencing now. Just know other are thinking about you. Betty

“ Twyla, I have thought about you so often since Quenton's service. I am hoping that you will call me when you are in this area so we can get together for a cup of tea like we did back in Washington School on your front porch steps. Remember the tea and sweet rolls? I sure do! And you and Victoria and me singing "Love Makes the World go Round"? And I remember your kind mother.. my thoughts and prayers are with you. Janet

“ It is with a heavy heart I learn of Quinton's passing. He was a wonderful, kind neighbor on Sugar Island. I loved him like an Uncle. I wish I had told him that. What a kind, gentle soul he was. I will always remember him for the respect he always gave me. My fiance Sandra and I send our love and prayers to Twila and the Family. God Bless you Quinton for the joy and respect you gave me in life. I will not forget you. Nor will I forget the example you set as the finest neighbor I have ever had in my life. You made being on Sugar Island a wonderful experience all the more with you and your beautiful wife always opening your Home to me and my Family. From all of here in Humboldt, Saskatchewan, Canada, we wish you Godspeed Quinton.

“ *My condolences to Bradley's family. I worked with Bradley years ago in the Soo. He often spoke of his father and what I remember most is the love and respect Bradley had for his father. He was a wonderful dad to Bradley and his sister.
My deepest sympathies,
