“ *I am truly sorry for your loss. I have only good memories of 'Butch' while spending six years with him in the Army Reserves. He was a very kind person and always concerned about the welfare of others.*

“ *(Sharing is Caring) It has been a life time of memories for me as Butch's brother-In law and friend by just enjoying the good life in Michigan. Many of times we have gone camping, hunting and some fishing with the family. I think for Butch the best times were with when the two families, the Rondo family & the Stuhler family got together for vacation's or Holiday's. These times were important for the kids in growing up when they were young with both families and sharing their memories in the future. Butch was always willing to help me out after hours by working on my car or motorcycle just to save me some money, As he enjoyed just doing that by helping someone out and then became known as, the Maintenance man. The years may pass Butch, but I will always remember the goods times with the Rondo family and Butch & Sharon. Thank you for the person you was and the times we shared! May the Children of the Lord open up the gates to Heaven with open arms...RIP*
