“ Justice Rasaiah and Family. I can only imagine how devastating the loss of your husband/father can be. Your loss is also my loss because when you care deeply for someone you also feel their pain. I am so very sad for your family and can't express enough my condolences to all of you. God must have had special plans for your husband to be taken away from you so soon. I know one is to be your guardian angel. A virtual hug to you and the kids. xxxoo - Iole MacDonald
