“ Thank you Ray for everything you taught me and also the chance you gave me and several others at Ft. Riley to do better and get ahead. They probably will have a scalding hot cup of coffee waiting for you up there.

“ My Uncle Ray was a kind, sometimes gruff but always loving man. He always had a smile on his face when seeing me. He always asked how I was and genuinely listened. He was a good brother to my dad when he was sick and a kind friend to Dorothy after my Dad passed. He and aunt Donna were wonderful examples of Jesus. It's so good to know I will see them again one day! Love to all the family from far away!

“ I was sorry to hear of Raymond's passing. He was a great friend of my parents forever. He and Donna were part of "the crew" , as my mom called them, who went out to dinner once a month for many years. That crew has pretty much all made their way to heaven now, and I bet they are still meeting for dinner. Donna is with Raymond again!

“ *Uncle Ray, you will be dearly missed when we visited Da UP. Especially during deer season! RIP and give Aunt Donna and the rest of the crew a hug for me. Until we meet again!*
