

Regina Elaine Brosco

May 25, 1941 - October 3, 2014

Regina was born in Soo MI 5/25/1941 to Evelyn and Adolph Brosco, she was the sixth child of Nine. Regina attended St Joseph grade school and Loretto High School. She furthered her education and completed her nursing degree at Northern Michigan University. Regina moved to Ann Arbor where she first worked for UpJohn Home Health Care and soon discovered the dynamic medical Environment at University of Michigan where she devoted herself to hundreds of burn patients fortunate enough to be in her tender care. Regina's compassion was not just given to her patients but everyone who's life she touched came away with a sense of her pure and honest joy. This joy was accompanied by her generous spirit in giving of herself and also in supporting her favorite charities. She was a lifetime donor to the Ann Arbor Huron Valley Humane Society, Michigan Humane Society and The World Wildlife Federation. Regina's love for their feathered and furry friends knew no bounds. The world lost a champion for the innocent and those vulnerable humans and creatures she so readily embraced. Regina was preceded in death by her Mother and Father, Evelyn and Adolph, a sister Rita (Fredericks), her brother Jack and nephew Pat Murphy. Regina is survived by her two sisters, Adele (Murphy) Traverse City, Eva of Ann Arbor. Four brothers William of Arkansas, Jim and Walt of the Soo and Donnie of Rapid River, MI. Our family would like to extend our deepest gratitude to the Nursed, Doctors and support staff at Evergreen Assisted Living, St. Ignace. Their benevolent kindness, the fun and support provided in her last 16 months is beyond

measure. We also wish to thank her “adopted Phillipino Family” Menche, Rufo, Jean, Jose, Dee, June, Nole, Ping and their children. Your gift of love lifted her high and your light shone brightly on this wonderful spirit, she loved you all dearly. Visitation will be Sunday October 5th from 4:00 pm – 7:00pm at Clark Bailey Newhouse Funeral Home. Mass of Christian burial will be celebrated Monday October 6th 2014 at St Joseph’s Catholic Church at 2:00 pm.

“ Eva & Family. I was saddened to hear of Regina's passing. She was a wonderful person who always made me smile. She suffered from a terrible infection but never complained. Regina was a very big hearted person. My deepest sympathy.

“ We all just learned of Regina's passing and wish to send our condolences to Eva and her family. I know there are many brothers and sisters and if you are all like the "girls" we know you are wonderful people. I met Regina for a memorial mass for her Mother and then we all went out for lunch and Regina with her abundant generosity snagged the check and would not even let me leave a tip. We had been seated in an open greenhouse attached to the restaurant and little birds flew all around outside the windows. Regina saved some of her sandwich and scattered the bread outside for them. Eva did the same..great minds think alike! Rest in Peace Regina, another angel received their wings.

“ I am so deeply saddened to hear of Regina's passing. I worked with her sister Eve at Henry Ford Hospital and I knew of Regina's courageous battle. As a nurse I know what a brave face Regina put on for her friends and family and I admire her so much for putting others ahead of herself. Eve was forever on a quest to find more information to help Regina. Sadly, her poor body gave out. My prayers are with you Eve, I know the love that sisters have for each other and you truly displayed that. God bless.

“ We send our condolences to Eva and her family. I sometimes saw the sisters together in the early hours of our busy day at U of M and they were usually laughing and teasing each other. Regina usually had a treat of chocolate or cookies for Eva which she shared with us. To our friend Eva we send our love and wishes for her grief to soon be replaced by the warm memories of her sister. Rest in peace Regina.

“ My heartfelt condolences to Eva and her family. I felt I knew Regina thru my work with her sister at U of M. Eva loved sharing her weekends and holidays with Regina and always had great stories to tell her team. Both sisters have contributed enormous compassion and dedication to our patients.

“ Meeting Regina for the first time in my role as a staff nurse at University Hospital was the highlight of my orientation. She was an extraordinary nurse, providing excellent patient care and offering everyone she met support and guidance. We worked many a night shift together and I treasure her as a remarkable colleague. She also became a wonderful friend. Her love of animals of all types was infectious. She had a wonderful sense of humor and I never left her without feeling that my life was enriched considerably, just by talking to her. She will be greatly missed. My condolences to her family, sisters Eva and Adele, and her brothers, William, Jim, Walt and Donnie. She spoke of her family often with great love and affection.
