“ From pulling Son out of a snowbank and bringing him inside to paddling down the Pine River soaking wet, dirty, and hungry. He was a great friend and all around awesome person, but an even better family man and father.

“ Sun brought sunshine to my life while I was at Rudyard Schools. He was a kind loving young man that will be so missed. I am sure he will go to the Creator and meet his ancestors there.

*I love his whole family and am so sorry that they have had to endure so much pain. May the rest of your journey be kinder.*

*All my love to all of you.*

“ I didn't know Ricky that well but from what I do know he was a good person, a hard worker and loved his fiance and kids dearly. He will be missed greatly. My heart goes out to Ricky's family... "Although its difficult today to see beyond the sorrow, may looking back in memory help comfort you tomorrow."
