“ *My Uncle Bob was one the nicest and most kind person I knew. I will always remember the smell of Uncle Bob's Tobacco Pipe when I was kid seeing him at Christmas up north. I also appreciate that he always welcomed family into his home when they needed somewhere to stay coming up there. I'm glad that Uncle Bob is no longer in pain but I'm sire going to miss him and his humor and his great big long bear hugs. It will never be the same going up north without him there but his memory will forever be in my heart when I do go up there I will always remember him. I love you Uncle Bob and will miss u very much I will see u again one day. My heart goes out to all the family as we all go through this hard time I love u all so very much.*
