“ *While searching for my Clary Family in Michigan, I discovered my uncle's obituary. It saddens me that I was never able to see him before his passing. I remember the summer visits from Uncle Robert & Aunt Nita. I still tell my friends Aunt Nita was a milk advocate 'before her time', as we were never allowed Pepsi on our visits to Michigan or in her presence in NC. I have some items to send the family. I hope they reach out to me via email. The items will be of special significance to them. Love & Hugs, Cousin Sue*
