“ *I'm sorry for your loss. I just met Bob this year at cribbage. I enjoyed playing with him. My family was very shocked and saddened to hear of his passing. We will miss him and I am sure we will think of him often while we play cribbage at the Algonquin cribbage club. My husband Willie played with him for at least 20 years in the downtown league and I know he will miss him. My daughter Chelsea helped him with his smart phone, she enjoyed helping him so much. I was amazed at his determination to learn more about this technology. Our sympathies. Willie, Kim and Chelsea.*
