“ *I am so sorry to hear of Bobs passing. I have many great memories of spending time with him. His stories would always amaze me. So many.... what a life he lead. I enjoyed every moment. He spoke of great grandchildren. Harlow was one I seriously remember. Funny stories. Bob would bring me candy to work with his great smile. And cribbage. Wow watch out if I beat him. Lol. He taught me the game !! My thoughts and prayers are with you all. God Bless. Wish I could be there tomorrow. But my thoughts are with everyone. ❤️*

“ So sorry to hear of Uncle Bob's passing. Ron has been tackling one serious health crisis after another for 4 years and is just now getting back up on his feet. We were planning on visiting soon. So sad that we won't be able to now. We loved him very much. So did our boys. Loved his stories, enjoyed talking politics with him, and the cards were always ready. Our sympathies to all.

Sincerely,  
Ron and Dorie Bawks

“ Hi Bob & Landa, So sorry to hear about Bob Sr. passing on. He sure led a full life even after losing his wife on those slippery roads on the first storm of that winter. We had so much fun working with your Dad in the post office and also with you Bob. We had a lot of political arguments but all in fun and nobody got mad. Hope your two kids Heather and Brad are doing just fine and also the two of you. Your Dad always made arrangements for a yearly party with postal people always over your way where he knew good places to go. I am 86 and have surely slowed down a lot but still getting around slowly. Best regards to both of you. Sincerely Ollie Boynton
