“ Dearest Robert, You walked on too soon. I'll miss your teasing about my bf (Aaron Rodgers of the Green Bay Packers). We will miss your playing the organ at First. There are so many things about you that we will miss. Your family and friends, and your church family at First Presbyterian Church, are certainly in our prayers. Until we meet again... To the family of Robert Stevens: I just heard today about his passing. I was Disaster Program Manager for the American Red Cross during the Duck Lake Fire. Robert was a regular fixture around our headquarters. In so many ways he was a great help and always welcome. He brought so many smiles to staff and victims.

God care and comfort him.
