“ *I was shocked and saddened to read the obituary notice in the Evening News newspaper. Roberta and I were high school friends, and many a cold harsh winter morning we walked a long way to Sault High School together. Robbie was always fun, humorous, and positive. We talked and chatted the whole way to school which made the walk more bearable in the bitter cold. When we were lucky, someone we knew would give us a car ride. I am so very sorry that we lost touch over the passing years. My deepest and heartfelt sympathy to the family of my friend Robbie. May she rest in peace.*

“ *My sympathy to the family of Roberta Kaysner. I knew Roberta when we were both youngsters and our parents were friends. Our fathers belonged to the Hendrie River Camp and we spent some time together there in the past. We are nearly the same age and I view Roberta's passing as way too early. Rest in peace Roberta.*
