“ Rod was one of my best friends in Flint. We went to grade school, high school and then to community college together. Rod had a smile and personality that was infectious. He was a loyal friend and generous to those who needed help. Regardless of adversity, he maintained a sense of humor and a positive attitude. While I regret not seeing him as much as I'd have liked, I am glad we caught up every now and then and I will miss him. My condolences to his family.

“ I met Rick in the Soo when he started his dealership and we became good friends. We both moved to Cedarville to enjoy the islands.

Within about 2 years Rod move to the Soo and spent a lot of time with us. Always had a great smile and enjoyed life. Our prayers are with his family. Steve Madigan

“ It has been sometime since Rod and I shared a conversation, usually about his passion and mine - anything maritime. He will be missed by many. My condolences to friends and family.
