“ I will miss you Uncle Roger and you will forever hold a place in my heart. Growing up and living next to you all of my childhood years allowed me the experience of living on a farm and the hard work involved in farming. I respect you for being a humble man and yet a proud man to the end. I know that when we lose a loved one here on earth, we gain an angel in heaven that watches over us. I take comfort in knowing that you are an angel watching over us now.

“ Uncle Roger, I have some fun memories of you! Some of my favorite memories where when you sang Andy Pedrin songs, I think we even have it on video! Rooster, as a kid I loved talking to you on the CB! You will be missed, your CB buddy Angel. 10-4

“ Some of my fondest childhood memories involve Uncle Roger. Fireworks, sleigh rides, picking potatoes, and Grandpa Lipponen's birthday parties. The stories told around my mom's kitchen table will be forever etched in my brain. Thanks for all the good times, stories, and endless laughter. You are missed!
