“ *Deb, I just found out this evening that Rodger was gone. My heart breaks for you, as was and still is your true love. I am so glad I was able to visit with him at my Dad's memorial in 2015. I still can't get it out of my head.*

He has gone on to the big fishing and hunting grounds ahead of you and will pass his time of day until more family members join him.

I will pray for you and the families. God be with you all in this healing.

“ My mother lived next door to Roger and Debra. She could not have asked for a more kind and considerate neighbor. In her last year in Trout Lake, and while living alone, Roger helped her out with so many friendly, neighborly acts. We have always been so grateful for his big-hearted caring help, and we are sure he was as kind and thoughtful to everyone he knew.

Condolences to Debra and their children and all the family and his wide circle of friends.. It's a sad sad loss and we are so sorry with you.
