“ I'm keep the whole Talentino family in my thoughts. Rose was an amazing woman and I have so many fond memories of her. She was for sure the "cool Mom" when I was in high school. We always gathered at the Talentino house to hang out where we always received a warm welcome. It was always filled with love and laughter. I hope you find peace in fond memories of dear Rose.

“ Rose was one of my first coworkers when I was young and still afraid of everything. Her lighthearted and cheerful attitude helped me grow as a person. My first memory of Rose is when she was training me at Lamplighter and the power went out, and we had to ring up all the sales by hand, but she kept me calm and laughing. I'll always remember her as a fun-loving gal who spread joy to those around her.

“ I've only know, Rose a short time.
But our phone calls, I will always treasure.
We shared the same mother,
And I will treasure, the memories
Your sister, Denise
