“ Sharolyn, Laura & Aidan

*We can't begin to tell you how sorry we are about Russ. He was a great friend and neighbor for many years (as well as the driving force behind our new kitchen and remodeling job.) I hope someone gets a laugh out of the little messages Jerry & Russ left in the walls as well as the beer bottles they left in there. There are so many memories & laughs involving him and the BOARD MEETING he & Jerry had.*

*He is the only person we knew that lived his life exactly as he wanted to and we loved him for who he was. He will be in our thoughts and hearts always. We will miss him more than words can say.*

*Please let us know if we can help with anything Sharolyn.*

“ Cheryln, Very sorry to hear about Russell. I liked him a lot and had many offers to share a drink with him which we never made time for, perhaps a few at the hilltop but it was always my plan to stop by and visit. As a friend and neighbor on Sugar Island , please do not hesitate to call if you need help with anything. Should you get stuck, need wood , want something heavy moved, i will be there in Russells honor to help. My wifes name is Melissa and she too is always there if you need anything. Do not feel alone on the Island as we are all neighbors and there to help each other enjoy life.
