“ *Sally was married to my brother, Randy, who survives her. When I first met Sally I was so impressed by how pretty she was and so confident. She easily became part of our family and was perfect for Randy. She loved children and wanted to have several. Unfortunitley she and Randy only had one child, Randy Michael, who also survives her. She loved flowers and worked along side her grandmother and mother in the family floral business. She was good at keeping in contact with our family. We will surely miss her kind, generous spirit.*
