“ Kyle, Eric, Mark, and Aunt Jocey,

I am so very sorry for your loss. Sandy was truly a ray of light in my life, even though we only saw each other every so often. We emailed back & forth and she was always encouraging me to pursue my dreams. She always used to tell me to sprint towards them and never look back. I looked up to her in a countless number of ways, and I can only hope to be half the woman she was during her time on earth. I will be praying for you all, and I will absolutely never forget her.

*Loving you all,
Samantha*

“ My heart is broken. I will feel the loss of her every day of my life. She was unbelievably special. She was kind, and witty and loyal. If she called you a friend, she did so with every ounce of who she was. There will never, ever be another like her...so thank you Jocelyn. My prayers now will be for Kyle, Erik and Mark. She leaves a gaping hole in their lives. I pray for their peace, for their comfort and that their thoughts are filled with the beautiful memories she left with them. You are always a part of me Sandy. I love you.
