I remember when you lived in HARVEY and my late husband, Don and I, would get together in the evenings in Briarwood Subdivision with you and Sandy. We always shared lots of laughs. “ I cared for Sandy while she was at Medilodge... she was one of those residents who become family. I loved her dearly.. I bought her birthday gifts, christmas presents and I even have one of the pictures she made me still hanging on my fridge.. I sat on her bed and we read the newspaper everynight together when I was there and we made sure her bingo cards were filled out. The last two years she let me help her decorate her little christmas tree and we painted ornaments together. She would requested to see me and I would be excited to see her. I brought my daughter in to meet her and she would spoild her with snacks! Lol she was so kind and just wanted to go home.... I will miss her. Alot of people will. All she did was talk about her family and her puppy. And the bear her husband saw in their yard last year lol. She was a blessing to know and a blessing to love. My prayers are sent out to the family.
