“ I am lost for words, Don and I spent many hours with Sandy and Bill camping at Mendincino's and playing cards. I never had the pleasure meeting Robert. I know Sandy will be missed greatly. My prayers and thoughts will be with each of you. I wish I could be there. Heaven has received another Angel. God be with each of you.

“ Dear Cousin Sandy We have been cousins for a long time 75 years to be exact. But in that time There is a lot to remember: Living together (when we were five) Visiting when our fathers and mothers were alive Emails with a little jive And yes visits when we both were alive! The visits are past, But that won't last Because time passes fast And we will be together at the last. God be with you my cousin so dear, Because as I see it from here My time as well is near Since I too am 75, you hear! And am closer to the rear With each passing year. I will always keep your memories near So that when we are together again we can laugh and cheer! I love you, Cousin, and will miss you dear Just a final thought from here. Cousin George (and Sandy) Goodrich
