“ *Mom ❤️ I have no words to speak on how I feel. You and dad were my best friends!! I miss you! The old you!! I know that your disease was nothing anyone could help, but it's so hard to be without you! I'm miss and love you so so much! You and dad, your mom, dad, and everyone else are all together now... fly high my lady. Until we meet again!!! 💔💔💔💜*
