“ *My sincere condolences to Sara's family. I have such fond memories of my early years growing up with Sara on Ridge Street. Didn't see her too often in our later years, but when we did meet, there was still that bond there. Rest in Peace, Sara, my prayers are with you.*

“ *I was saddened to hear of Sara's passing. I have many memories from my days of babysitting for the boys...Sara was such a quiet, gentle woman. She always gave me a warm smile whenever we would see each other "out and about." I'm sorry you will now have to find your "new" life without her. Blessings on you and warm condolences. I hope you'll find comfort in the Lord. He knows your pain and will sustain you as you look to Him.*

“ It is with great sadness that I learned of the passing of my dear cousin Sara. I would like to extend my condolences to all her family and friends, Sara was a wonderful person. For me it is the end of an era, as Sara was my last close relative. I will miss our long phone conversations reminiscing about old times in the Soo. She always reminded me that I was her only cousin. She will be greatly missed.

“ Sara was a wonderful woman. She was a doting mother that was so sweet and caring to everyone. I spent a lot of time at her house with Charlie when we were in high school and some of my fondest memories are of the pizzas she'd make for us. Rest in peace Sara.
