“ Oh my, this breaks my heart. What a gal she was. Too many stories, so many memories. Love you Jodi. And she loved all who entered her world. One of the most caring, giving, loving, funny, patient people I ever met. Fly high with the angels sweet lady. Prayers to your family, Dear Rick who loved you so, and all of us who held you dear.

“ Aunt Jodi was and will always b a one of a kind. She was my first and only friend in the UP. She didnt listen to other people's judgements of who I was but instead truly got to know me and became "my sugar island mama". I will always love and miss her. She listened when I was in pain, she made me laugh when I needed to smile and she taught me how to give a real hug. They dont make um like aunt jodi. Prayers to her kids n family. She loved u all so much.

“ I don't think I've meet a more kind, patient, funny person than Aunt Jodi! She was definitely the "fun Aunt" and it wasn't uncommon to have 6 young Nephews staying the weekend with her and Uncle Steve on Sugar island. I'm so glad my wife and kids got to know Aunt Jodi and how truly of a wonderful person she is!!! We love you and will never forget you!
