“ I worked with Sharon for 4 years at Joann Fabrics. She is not only the hardest working woman I've ever met, she's also kind, caring, funny. I admired her deeply and I'm so devastated by her loss. So sorry to her family and everyone who loved her. It's such a tragic loss.

“ I worked with Sharon at Joann Fabrics. She was an awesome person. I worked hard but she worked harder. Last time I talked with Sharon was around Christmas shopping and I ran into her. We caught up on life and spoke for quite awhile...I am so glad we both took the time to catch up. I will miss see her. She was a great person. Sending my deepest sympathy.
