“ Oh My gosh!! My condolences dear Goddard/House family. I knew Sharon, Loren and Mark Sorry to hear the news. I will always remember them. :(I worked at the cranberry farm for a short autumn season one year. It was a great experience and all of them were nice to work with. May you all heal well from your loss. I'm still out here. I'm in Mississippi. I'm the painter lady..the one that painted the characters that the folk that visited the farm took photos in.

“ Aunt Sharon had the best sense of humor and laugh. A Smile that could fill a room. She could make a joke out of anything. My example: "I had fluid drained off my lungs cause I couldn't breathe. Other than that . . . haha!! I'm okay now." I sent her videos of trains! She was so excited! "I Love trains!" Sure glad Mom knew this 💖 Mom and I would look forward to visiting Aunt Sharon, when we visited Dad and Uncle Loren 😊 Prayers for Family and her friends. Love, Dianne House, Brenda, andnd Family
