“ My mom was a teacher at Sheena's elementary school and I also had the honour of playing hockey with her for the wildcats. She was an amazing player. I always loved watching her fly past others players like it was nothing and she could deffinatly hold her own out there, tough but graceful. I wil forever cherish the memories i've had with you both on and off the ice.

Tom, we are so sorry for your loss. You and your family will be in our thoughte and prayers. Thanks for getting all that extra ice time, those are some of the fondest memories i have of Sheena.

Hope your still skating up there Sheena, even in heaven. Forever a Wildcat. Rest in Peace #14

“ Our hearts ache at hearing this news, we're sure like so many others. We are grateful for the time we were able to spend with Sheena and will continue to hold those memories close to our hearts.

We'll never forget when Sheena welcomed Sheep into her family. During the winter months Sheep would be carried from the car to the house, swaddled in a blanket so as not to get cold. We will always remember how Sheena just had that sweet funny way about her. And how she could out skate every one of my brothers.

We will continue to keep Sheena and all those who loved her in our thoughts and prayers. Sheena, Baamaapii.

“ Sheena attended the Central Child Care Center when I worked there years ago. I remember her, such a beautiful little girl with dark hair and big brown eyes. I can see she turned into a beautiful young lady. Our prayers are with the entire family during this most difficult of times. God bless you.

“ I am very sad to hear this, I just wanted to share how much of an inspiration Sheena or "Sheep" as I knew her, was to me and many others on my team.

She was an amazing leader and profoundly inspirational on and off the ice. She co-coached the girls team I was on a few years ago. I, and many others I am sure, can remember watching her whizz passed, with power, speed, as well as eloquence and grace. She pushed us to improve and made me feel like someday, if I worked hard enough- I too, could also skate with such passion and fury to ensure woman would always be viewed as equal competitors on the ice such as Sheena provoked in her powerful skating and hockey skills.

Fond memories to hold in these times of sadness, she won't be forgotten, I will remember- especially everytime I lace up- she will continue to push me.

My thoughts are with the family during this time..
