

Shelly Rene Wellnitz

April 8, 1962 - March 12, 2024

Shelly Rene (Hoyt) Wellnitz, age 61, of Cedarville, Michigan, died on March 12, 2024, at home with her loving family by her side. She was born on April 8, 1962, in Mount Pleasant, Michigan, to parents Dudley and Jean (Myshock) Hoyt.

Shelly moved to the Elk Rapids/Alden area to take a job at the Grand Traverse Resort, where she developed lifelong friendships that have endured the test of time. In 1988, she married the love of her life, Gary Wellnitz, in Traverse City, Michigan. They moved to Cedarville, in the Upper Peninsula, where she quickly fell in love with the community and her friends. She raised two wonderful, successful boys, Cory and Jacob, in Cedarville while working as an assistant branch manager for Soo Co-op Credit Union.

Shelly loved to garden, watch sunsets, and stand in the freezing rain and snow at her sons' sporting events. Most of all, Shelly loved her kids, Grandkids, family and friends. She would do anything for her loved ones. That love returned to her in support and friendship during her critical time of need.

Shelly was truly blessed to have such incredible, loving family and true friends.

Shelly is survived by her mother, Jean Amick of Weidman, Michigan; her

husband of 36 years, Gary Wellnitz of Cedarville; son, Cory Wellnitz and his wife Katherine Wellnitz, both serving in the USCG; son Jacob Wellnitz (Nurse Practitioner at War Memorial Hospital Sault Ste Marie) and his wife Carissa Wellnitz from St Ignace, Michigan, and their children, Eleanor and Henry, all now residing in St Ignace, Michigan; as well as sisters, Cindy Starr of Weidman and Deanne Lautner of Traverse City, as well as many wonderful friends and extended family.

Shelly was preceded in death by her father, Dudley Hoyt.

“ I have a lot of great memories of Shelly! The first time we met which was at Grand Traverse Resort in banquets we hit it off and were best friends since then. Her laugh, her smile lit up a room! She taught me so much about flowers but I'd never have a green thumb like Shelly. We had so much fun together, I am going to miss her so much! She truly is an Angel! RIP my friend!

“ Shelly was the very first friend that I made when I started working in banquets at the Grand Traverse Resort. I will never forget her radiant smile. Shelly introduced me to the amazing morel mushroom, and some of my favorite memories include Shelly and I searching for them in the woods during the springtime. I'll always remember her as a joyful person, especially when her sons Cory and Jake came into the world. Shelly: thank you for your gift of friendship at a time when I needed it most.

“ I grew up with Shelly and have known her since elementary school. She always had that beautiful smile of her to light up a room. Although I have not seen her in years, I have many fond memories of Shelly. Wishing her family and friends peace and love during this difficult time.

“ My earliest memories contain Shelly and her family. Her love of her garden was obvious when you pulled up to her house. She had a smile and laugh that could be recognized a mile away. I got to see her about just over a year ago and when she saw me she just kept saying “it’s my Sara! it’s my Sara!” and my heart exploded with joy, knowing that I was part of her memories. We will miss everything about her! I know she’s watching over us all and smiling knowing she was so loved. RIP Shelly
💙 forever from “your Sara”

Oh my goodness Sara, I can hear her saying that as I read your words. You are so right, her smile and laugh were second to none!

“ Shelly's green thumb was amazing. Her flowerbeds were always incredibly beautiful. She also loved her walks on the beach to find beach glass and loved her birds especially the Eagles. Shes flying with them now .
