“ *I am so sad to hear of Shirley's passing. What a wonderful woman. When she moved up to her beautiful home Cedarville, I visited her and she made a wonderful lunch for me and we talked forever. She was in her element up there in the UP! She had a huge love for her son, daughter in law, and their children and grandchildren. Talked about them all the time! I will truly miss my talks with her. I loved her so! Sending prayers to the family!*

“ *I loved Shirley! When she worked at Dr. Evans office, and I was a kid, I knew a visit to the office would involve another shot, due to another bout of tonsillitis. I knew at least if Shirley gave me a shot that a stick of juicy fruit gum was coming right after the poke. So, so sorry for your loss. Praying for peace and comfort for the family.*
