“ Dear Lehman, Howard and I are so sad to learn of Shirley's passing. I wish we had been able to spend more time with you and Shirley, but the two times we did get to stop and visit, first, in your home and then at the Hall in Raber, when you were decorating for your "50th" wedding anniversary. Shirley was a lovely lady and both of you were welcoming and gracious host's. I pray the Lord holds you in His arms and comforts you, giving you strength to bare your grief. I know she leaves you with many wonderful memories that you will hold dear in your heart. Sending sympathy, prayers and love. Your Cousins....

“ I met Shirley the summer of 2018, when she and Lehman shared their recipe for Sweet Refrigerator Pickles. She was very nice to me and was happy to know that I am her new neighbor. Lehman, Russ and I are here if you need anything.

“ Dearest papa,
My heart is broken for you. I am so sorry for your loss. Grandma was such an amazing woman and an irreplaceable person in our lives. I am so grateful for the chance to see her one last time and to tell her I love her. I have comfort knowing that she is no longer in pain and has become our guardian angel until we meet again. I love you so much and she will be so deeply missed.
