“ *I worked with Shirley at the MESC office when I got out of high school. The State was just putting computers in the offices and we were all learning at that time. We had so much fun, me, Shirley, Alice Bennett and Joan Sterk! And Shirley always had a big smile and a happy hello for me after my time was done there! Whenever she saw me, whether it was in town or out of town we tried to take a moment to talk. I'm so sorry about her passing. She was a beautiful woman with a wonderful soul!*
