Simon D. Couvier, 70, of Sault Ste. Marie, MI, passed away November 28, 2020 while in the loving care of the EUP Hospice House in Sault Ste. Marie, MI. She was born February 24, 1950 in Sault Ste. Marie, MI to Leo and Maggie (Swick) Couvier. Simon loved traveling. In her early years, she found herself living and working in a ski lodge in Vermont, an insurance company in New York, and a Manpower Agency in Virginia. When she returned to the Sault, she made her life's work at Chippewa Abstract and Title Company as a title examiner. She worked there for 25 years and retired as office manager. Simon was a lover of life. She had many interests such as reading, writing poetry, gardening, along with downhill and cross- country skiing. She had a passion for the arts. She started Friends of Folk when she and others brought folk and blues concerts in the 80's to the Sault Community. She was actively involved in bluegrass festivals, when on weekends she would head out to attend with her clogging board. One of her favorite sayings was, "There are no strangers, just friends you haven't met yet." Simon was happiest when she was in the company of her friends. Christmas was her favorite holiday and when I close my eyes, I can see her decorating the tree and singing deck the halls. She will be sadly missed by her family, relatives, and friends. Simon is survived by her sisters, Deborah Couvier Alexander, JoAnne (David) Bulson; niece, Dr. Emily Bulson, and nephew, Eric Bulson. Simon was preceded in death by her parents, Leo and Maggie (Swick) Couvier; brother, Joey Couvier, and brother-in-law, George Alexander. Per Simon's wishes cremation has

taken place and a Celebration of Life for Simon will be planned for the summer of 2021. Simon's final resting place will be Oaklawn Chapel Gardens. The family requests memorial contributions be sent to, Hospice of the EUP, 308 W. 12th, Sault Ste. Marie, MI 49783. Clark Funeral Cremation Burial Services assisted the family with arrangements.

“ Condolences to the family 🌸 I will have fond memories of chats with Simon. I found her to be a free spirit with spunk and vinegar. She had many ideas for pick me ups when life drags you down. Her suggestions for me were red nail polish and bright lipstick 😊 Her conversation always ended with a whimsical joke and a smile on her face. Simon showed great love for her brother, Joey. She loved her wild roses. I'm very glad to have met her and happy our paths crossed.

“ Simon passing is too soon and very sadding. Simon was and always will be a wonderful kind of friend. As a lost soul in my 20's Simon took me in and helped me face up to myself, for that I will always be indebted to her. Simon's outlook on life was vibrant and amazing, and she shared that joy with those of us she considered friends.

Thought I would see her and friends this past summer, but Covid intervened. Wish I hadn't missed her before she left us.
