“ I knew Steve from my husband, Jim Maki. Steve was one of Jim's best friends. We were at CMU in Mt. Pleasant in 1978-79. Steve worked & lived in Midland, so close by. We had lots of fun times together in mid-Michigan. Jim & Steve loved photography, science fiction and computers. Steve was a thoughtful & kind person and dear friend.

“ Steve was a good friend since kindergarten. With his kind spirit and gentle ways, he was a blessing to anyone who knew him. He saw joy in little things. He never felt sorry for himself, always praising the positive in his life. I could count on Steve to brighten up my day with a funny story, or happy memory. You will be sadly missed in my life, dear friend.
