“ Hi Papa

*I just heard of your passing today. I know I haven't seen you in years but I never forgot about you or quit loving you. I missed you often and thought about you and wondered how you were doing. I still remember the last time I seen you. I was 12. You always told me how beautiful I was. You said I looked like Betty Davis. I had no idea who that was when I was that young, but I ate it right up. I was always your little girl. I could do no wrong in your eyes. Grandma would always tell me how I liked to yank on your beard when I was a baby. She said I hated it. I want you to know you would be so proud of me. I have grown up to be very smart, successful, and beautiful. Just like you always said I was. I have a little boy now. He is my life. I will see you again someday. Until then, I will be looking up and smiling knowing you are looking out for me.*

*Love you Papa*
