“ *I just learned today of Sue's passing and I'm overwhelmed with feelings of loss and sadness, although I hadn't seen Sue for years -- probably not since the late 60s. We were buddies in high school, and we double-dated a lot. I loved being with Sue. I used to organize groups of friends to greet her at the TC airport (very small then) when she returned home for holidays from Stevens College.*

*Rich, I will call you.*

“ I just wanted to express my condolences to your family in the passing of Sue.

We were neighbors on Parnell in the '80's and I'd bump into Sue at Walmart from time to time after your move to Cedarville. She was always bright and pleasant and I enjoyed our quick "catch up" visits.

I was sorry to hear that she'd been ill. I'm sure she leaves an empty spot in your lives, but also many good memories that you can draw on.

Know that I care and wish you peace as you transition to life without Sue.

“ Am truly sorry to hear that Sue has passed on. She was 6 yrs younger than me so it especially hits home to us older folks. We kind of grew up together on Washington St., TC and her brother Allan was my best friend. I think the last time I saw Sue was yrs ago when she attended Stephens College in MO. We just happened to be on the same plane from Chicago to TC over Christmas break. I wish her family and close friends the best.

“ *Richard and family, As a caregiver of Susan you need to know that we drew strength from Susan while we care for her. Her positive attitude and smiling face gave us all hope for her and others that are on the same journey. She inspired us as we watched her do her "laps" around the halls while she was with us.*

*Please know that you are all in our thoughts and prayers and may her memory bring you many smiles during this difficult time. She will be missed by many, including us. Prayers be with you.*

“ Dear Rich and family,

*We are very sorry for your loss. Sue truly loved her family, her friends, and her tennis, and we all loved her. She could run rings around us on the court, but was always ready to learn more and improve her skills. We always had a lot of fun. She delighted us with her stories of treasure maps and trinkets, entertaining her grandchildren. Her spirit is an inspiration to us all.*
