Sue loved teaching, and always loved running into students later in their lives and was especially proud of teaching kids of kids that she had in her early career. After retirement, she loved spending time with her animals and her grandkids, Molly and Niklos. She frequently volunteered at WMH Gift shop as a member of the Women's Auxiliary and loved attending teacher luncheons. She also enjoyed yearly trips to socialize with her college sorority sisters.

Suzanne is survived by two children: Doug (Tracy) Beedy of Youngstown, OH and Dr. Cindy Anderson of Sault Ste. Marie, MI; and two grandchildren: Molly (MSU) and Niklos Anderson (Albion).

Suzanne was preceded in death by her parents, her brother "Butch" (Fred B. Holcomb IV) and her husband: James L. Beedy.

In Sue's memory, please hang a bird feeder in her honor. She will be very missed by the hundreds of birds she fed year-round.

“ Sue was such a lovely person. I worked for husband, Jim Beedy, at Edison Sault Electric Company, and always enjoyed hearing about the little trips the two of them took together.

*It was so enjoyable to sit down and visit with her when I would see her at the Chippewa County Fair. She was so proud of her grandchildren.*
