“*Darlene, Todd & Kyle, I was so sorry to hear about Tammy. I don't know you boys, even though you are my 2nd cousins. I feel as though I know you through your Grandmother and I know that she loves both of you very much. I feel certain that your Mother loved you very much also, try to remember the good times that you shared with her & may it give you some comfort. I didn't know Tammy very well since she was much younger than I am and we lived so far apart. I do remember visiting the family when Tammy was very young and I remember a very pretty little girl with blonde hair & a smile that would win anyone's heart. Darlene, my heart goes out to you. I know you've had a long & hard struggle with Tammy but I also know that you were a very good mother. A person never knows what life holds in store for them so we just have to take it a day at the time and hope that we do the right things and I feel certain that you did all you could do. You have another battle to fight as I do, so we'll hang in there together and hope for the best. Love you very much.*

“ *Tammy will dearly be missed by our family. My deepest sympathy goes out to her family especially Todd and Kyle. It is very hard to lose a family member esp. a parent but I know that they will be okay in time. Just keep those memories close to your heart because they are so very special and dear and remember that she will always be watching over you all from above. I will be keeping your family in my thoughts and prayers.*

“ Darlene you are in my thoughts and prayers. There are no words. You have a lot to handle but I know you well and you are strong. Ask God for help and he will be there. Believe me on this one. We don't have the answers but he has always carried me when life didn't seem fair and he will help you too. Say good bye to Tammy for me, may she rest in peace and find the happiness she deserves. Give her boys an extra hug from us. They need you to show them the way. God bless all of you.

“ To My Dearest Friend Tammy, (vh:)Even though I only knew you for a short period of time our friendship will be something I will cherish always. We always seemed to find the humor in whatever situation, problem or heartache. I lost a part of my soul when I heard the devastating and horrible news. I know that you are in a better place where there is no hurt and no pain. It's time for you to shine and be that guardian angel to someone special. I will miss your music, your quirks, your laugh and most of all your kinds words. You are one of the nicest and most generous people I know. You will be sadly missed but never forgotten. You have given me strength and more reason to fight my battles with dignity and pride. I never lost faith in you and I know you gave it all you had. We shared many of the same thoughts and dreams, I will be proud to try and accomplish them. Don't be sad, be free.. Todd, Kyle and your Mom will cherish your memory. Don't worry about me, you know that I'll never give up.. Rest in peace chica...you'll be in my thoughts and prayers. Always your Friend, K.K. "kerbear",
I'll keep the music playing, the lines of communication open and I'll c ya, when i c ya. LOL always
