May your spirit soar in freedom, From the fears that gripped so tight. May you find the peace you searched for, as you wandered, lost, in the night. May your mind be clear and calm, and your tender heart be warm. May you have no need for strength now. May there never be another storm. May the music of the angels, be the sweet sounds that you hear. As you're rocked in Heaven's cradle, may you never shed another tear. I'll wear your memory proudly, my brother...my true friend. May my love for you reach Heaven above, until we meet again. Author:

“ Natalie - I am so very sorry about Terry. Like all of us, he had his weaknesses, but he was also a person of many strengths. One I will remember most vividly is his smile; another is his easy charm. If you'd like to talk, please call me. We are in the phone book. Take good care of you. Sandee Raappana
