“ I first met Terri at the Raber Bay Bingo through my parents Mel & Sis Turner - she was one of the primary caretakers of the Bingo with her husband Bill. It was a small Bingo but I was impressed at how organized it was and how every player enjoyed the games. Terri was very cordial and made me feel welcome. She was also lucky! My parents appreciated how Terri and Bill ran the Bingo and went every Sunday for years.

Terri was also my mother's "go to" lady for Avon.

Through the years, she corresponded with my mother - they always exchanged cards for Birthdays, Christmas and other occasions during the year. I dropped off cards from my mother to Terri at the post-office many times and I didn't dare forget because my mother would ask me if I mailed the card. It had to be there on time... My mother appreciated the cards she received from Terri and would always let me know when she got another card from her. Terri didn't have to send cards back to my mother but she did it anyway and I thought that it was good of her to do so.

Sometimes Terri suprised my mother and sent her a card out of the blue much to my mother's delight.

It is the little, extra things that she did for my mother with no expectations that I will remember her for. Rest In Peace Terri with your beloved Bill.
