

Theodore McCready

December 9, 1937 - June 25, 2023

Theodore Edwin "Ted" McCready age 85, of Sault Ste. Marie, MI, passed away on June 25, 2023, at McLaren Northern Michigan Hospital in Petoskey. Ted was born on December 9, 1937, in Sault Ste. Marie, MI to the late Alexander and Mildred (Avery) McCready. He attended Pickford Schools. Ted worked most of his life as a mechanic in Pickford at Thompson's Auto. He later took it over and ran it as Ted's Auto Repair until his retirement. He was also the bus mechanic for Pickford Schools. Most days if you walked into his shop at lunch time, you would find a group there having lunch with "Teddy". Ted was a loving family man. He loved and was loved by all, including his children and many nieces and nephews. He was a people person. He would (and did!) talk to anyone.

Ted enjoyed camping, gardening, playing Solitaire, cooking, and listening to his old-time country music TV shows. He was well known for his maple syrup and sauerkraut. He loved to share the zucchini bread and fruit cake he made. Ted was a kind, generous, loving man and will be missed so much.

Now it's time for him to relax and enjoy a cold beer with his buddies who preceded him into heaven.

Ted is survived by his children: Alex (Leesa) McCready of Neebish Island, Karen (Mark) Beal of Michigan City, IN, and Kathleen Cook of Barbeau; grandchildren: Jesica Kuhn, Melisa Kuhn and Megan Cook; Ted was also survived by his brother: Fred McCready of Hessel; as well as many nieces and nephews.

Ted was preceded in death by his parents; his great-granddaughter, Cora Hall; and siblings: Audrey Sawyers, Carol Nally, and Roland McCready.

Cremation has already taken place. A Celebration of Life will be held at 3:00 PM on Saturday, July 1, 2023, at his daughter's house. (14162 S Riverside Dr, Dafter, MI 49724)

“ *When I was a teenager back in the 70s and couldn't figure out how to fix something I'd go talk to Ted. He was always helpful and friendly. Super nice man.* ”
